Allowable Subject Matter

1. Claims 20-22 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art fails to disclose or make obvious a translating section for allowing translational movement in an X-direction and a Y direction while preventing any substantial movement of the translating section in a Z direction comprising, in addition to the other recited features of the claim, a plurality of flexures, a flexure arranged between each of said second actuator ends and said center translation platform to allow translational movement of the center translation platform when the actuators extend and retract during scanning operation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin Pyo whose telephone number is (571) 272-2445. The examiner can normally be reached on Mon-Fri (with flexible hour), First Mon. off.
